

# **An Interpretive Hike in Conjunction With:**

## **What Do You Know About Connecticut's Forests? The 29th Annual Conference on Urban and Community Forestry and 13th Annual Forest Forum**

A walk and conference for all who are interested in trees and forests, from tree wardens to loggers and from interested citizens to arborists, and all others who would want to attend.

Please join CFPA and the Connecticut Urban Forest Council for a walk at Highlawn Forest with Dr. Tom Wessels.

Tom Wessels is a terrestrial ecologist and professor emeritus at Antioch University New England who has been conducting workshops on ecology throughout the country for decades. Tom will be leading a guided walk at Highlawn Forest in Rockfall CT, where he will focus on interpreting forest history, unique adaptations in trees and plants, co-evolved interrelationships and geological history. Join us for this unique opportunity to see the forest through Tom's eyes!
