

Connecticut Urban Forest Council Annual Conference

CALL FOR EXHIBITORS

Thursday, February 29, 2024

Aqua Turf Club
Plantsville, CT

The Connecticut Urban Forest Council will hold its Annual Urban Forest Council on February 29, 2024 at the Aqua Turf Club in Plantsville, CT. The Conference will run from 8:00 am until 3:15 pm.

The theme of this year's Conference is "**Demystifying Success in Urban Forestry**". It will highlight examples of successful urban forestry programs and projects within the state. Speakers will discuss the success of programs and projects with which they have been involved and tell what they learned from their experiences. In addition, during the meeting, the present and future direction being taken by urban forestry within the state will be discussed.

To see the the Conference program, please visit the [2024 Annual Conference Demystifying Success in Urban Forestry – Connecticut Urban Forest Council \(cturbanforestcouncil.org\)](https://cturbanforestcouncil.org/2024-annual-conference-demystifying-success-in-urban-forestry) Program Page.

Attendees tend to be from a variety of backgrounds, including tree wardens, arborists, foresters, municipal officials, landscape architects, forest practitioners and local tree volunteers. It is a great opportunity to connect with those who work in and who manage CT's trees and forests. In response to feedback from previous CUFC Conferences, the conference program this year will feature extended time for this diverse group to visit with exhibitors.

Exhibitor Details

Exhibit space is limited – reservations are on a first-come, first-served basis.

- Fee:
- Vendors & businesses: \$150.00 per table
 - Non-profits & municipal groups/agencies: \$100.00 per table
 - Each registration comes with one lunch ticket. Additional lunch tickets are \$65 each.

The fee includes an 8' table with tablecloth and chair. Electricity is available upon request. WiFi access will be available to all exhibitors.
